

Agenda Thursday, Sept. 26

8:00 • 8:30

Registration and Coffee

8:30 • 8:45

Welcome to the event!

Håkan Andersson, Joakim Berlin - Calderys

8:45 • 9:00

Calderys group introduction

Erik Bachman - Calderys

9:00 • 9:30

New generation of foundry services

Håkan Andersson - Calderys

9:30 • 10:15

Let's Meet!

Calderys showroom and coffee break

10:15 • 10:45

Foundry sand reclamation as a service

Jukka Nieminen, Mikko Immonen - Resand Oy Finland

10:45 • 11:15

Introducing: CALDE® GUARD

Tailored to coreless induction furnaces

Gert Karlsson - Calderys

11:15 • 11:45

Producing non-iron castings in green sand

Eren Koc - Disa Industries Denmark

11:45 • 12:45

Let's Eat!

12:45 • 13:15

**Sustainable and digital, twin transition
in Swedish foundries**

Fil. Dr. Åsa Lauenstein RISE - Research Institutes of Sweden AB

13:15 • 13:45

**Challenges and opportunities for the foundry
and castings industry**

Views from a UK perspective

Pam Murell - Cast Metals Federation seulement

13:45 • 14:15

Increasing our ladle availability

Calderys precast solutions at Volvo

Christopher Jensen - Volvo Group Truck Operations

14:15 • 15:00

Let's Meet!

Calderys showroom and coffee break

15:00 • 15:30

Moulding shop solutions
