

Certificate of Approval

This is to certify that the Management System of:

IMERYS Metalcasting Germany GmbH

Duisburger Str. 69-73, 46049 Oberhausen, Germany

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 00032648

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

The division HTS with the Product lines SCF, MA and Calderys: Design and development, procurement, preparation, production, sales, technical support and services with respect to:

1. Casting mould fluxes, tundish and ladle covering compounds, steel desulphurization materials and bottom pouring agents in granular and powder form for the iron and steel industry.
2. Bentonites, coal dusts, industrial minerals and additives for molding materials and molding accessories in foundries, for the refractory, ceramic and glass industry as well as for civil engineering and animal food.
3. Unshaped refractory materials and prefabricated refractory shapes including bricks, tiles and others for iron and steel, foundry and thermal applications, including installation.
