

Certificate

Within a certification audit the organization

IMERYS Metalcasting Germany GmbH

at the location

Duisburger Straße 69-73, 46049 Oberhausen

and further locations according to the appendix

has proved that an energy management system was established and is successfully applied in accordance with the requirements of the international standard

ISO 50001

Issue of August 2018

for the following activity

Design and development, procurement, preparation, production, sales, technical support and services with respect to

- 1. Casting mould fluxes, tundish and ladle covering compounds, steel desulphurization materials and bottom pouring agents in granular and powder form for the iron and steel industry.**
- 2. Bentonites, coal dusts, industrial minerals and additives for molding materials and molding accessories for foundries, the refractory and glass industry as well as for civil engineering, animal food, ceramics, metallurgy and special applications.**
- 3. Unshaped refractory materials and prefabricated refractory shapes including bricks, tiles and others for iron and steel, foundry and thermal applications, including installation.**

This certificate is a seamless continuation of the previous certificate and is valid from 11/20/2021 until 11/19/2024.

Nr. B-21-24390-EN

The scope of the certificate No. B-21-24390-EN for the organization

IMERYS Metalcasting Germany GmbH

covers the following locations:

No.	Address	Location	Scope
1	Duisburger Straße 69-73 46049 Oberhausen	IMERYS Metalcasting Germany GmbH Central office and plant Oberhausen	Design, manufacturing and sales of casting mould fluxes, tundish and ladle covering compounds, steel desulphurization materials and bottom pouring agents in granular and powder form for the iron and steel industry, including technical support and services.
2	Friedrich-List-Platz 1 04103 Leipzig	IMERYS Metalcasting Germany GmbH % Calderys Deutschland GmbH	Sales of unshaped refractory materials and prefabricated refractory shapes.
3	Straßheimer Str. 3 61169 Friedberg	IMERYS Metalcasting Germany GmbH % Calderys Deutschland GmbH	Sales of unshaped refractory materials and prefabricated refractory shapes.
4	In der Sohl 122 56564 Neuwied	IMERYS Metalcasting Germany GmbH % Calderys Deutschland GmbH	Development, construction, production, sales and installation of unshaped refractory materials and prefabricated refractory shapes for iron and steel, foundry and thermal applications, including installation services.
5	Schäferstraße 35 44147 Dortmund	IMERYS Metalcasting Germany GmbH	Design, production and sales of thermocarbon as powders and liquids to be applied as binder in refractories, pastillation and toll processing.
6	Am Bergbaumuseum 4 09376 Oelsnitz	IMERYS Metalcasting Germany GmbH	Development, procurement, preparation, production, application consulting, sales and service with respect to bentonites and other industrial minerals for metal casting moulds in the foundry market, for the refractory industry as well as for civil engineering, the glass industry, ceramic industry, metallurgy and for special applications

No.	Address	Location	Scope
7	Am Kanal 90 45768 Marl Brassert	IMERYS Metalcasting Germany GmbH	Preparation and production of bentonites and other industrial minerals for metal casting moulds in the foundry market, for the refractory industry as well as for civil engineering, the glass industry, ceramic industry, metallurgy and for special applications.
8	Schmielenfeldstraße 45 45772 Marl Sinsen	IMERYS Metalcasting Germany GmbH	Storage of material for the production of bentonites and other industrial materials.
9	Schmielenfeld Straße 78 45772 Marl Sinsen	IMERYS Metalcasting Germany GmbH	Development, procurement, preparation, production, application consulting, sales and service with respect to bentonites and other industrial minerals for metal casting moulds in the foundry market, for the refractory industry as well as for civil engineering, the glass industry, ceramic industry, metallurgy and for special applications
10	Ruhrorter Straße 72 68219 Mannheim	IMERYS Metalcasting Germany GmbH	Development, procurement, preparation, production, application consulting, sales and service with respect to bentonites and other industrial minerals for metal casting moulds in the foundry market, for the refractory industry as well as for civil engineering, the glass industry, ceramic industry, metallurgy and for special applications.
